# QUIZ TIME!

Draw the right half of the image so that the design is symmetrical. The triangles are equilateral and have sides that are 50 pixels long.  Identify correct code.
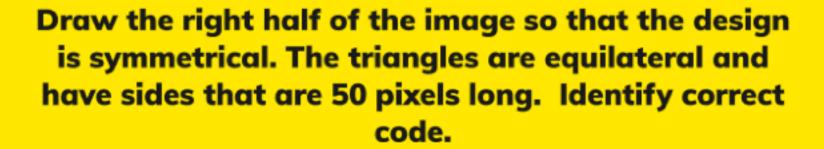

**A**
```
when run
repeat 3 times
do   repeat 3 times
     do   move forward ▽ by 50 pixels
          turn right ▽ by 120 degrees
     move forward ▽ by 50 pixels
```

**B**
```
when run
repeat 3 times
do   repeat 3 times
     do   move forward ▽ by 50 pixels
          turn right ▽ by 120 degrees
     move forward ▽ by 50 pixels
```

**C**
```
when run
repeat 3 times
do   repeat 3 times
     do   move forward ▽ by 50 pixels
          turn right ▽ by 120 degrees
     move forward ▽ by 50 pixels
```
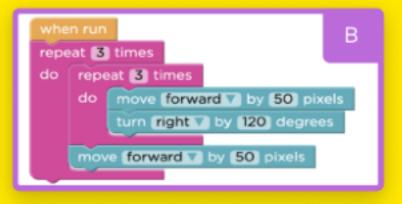

**D**

All of the Above
